THE MAN FROM SNOWY RIVER

Live in Concert

Featuring the Southern Cross Symphony

Conducted by Peter Morris

Sunday 28th September 2025

Experience the magic of *The Man From Snowy River* like never before as the Southern Cross Symphony performs Bruce Rowland's award-winning score **live to screen**. Under the baton of Peter Morris, this stirring performance brings to life one of Australia's most iconic cinematic achievements. The film that launched the careers of **Sigrid Thornton** and **Tom Burlinson**, and starred legends like **Jack Thompson** and the late, great **Kirk Douglas**, marked a golden era in Australian filmmaking. Based on Banjo Paterson's classic poem, *THE MAN FROM SNOWY RIVER* tells the exhilarating story of **Jim Craig**, an 18-year-old who, after the tragic loss of his father, must prove his worth in the rugged high country. Through trials of courage, breathtaking adventure, and the stirrings of first love, Jim discovers a secret in the hills more valuable than any treasure. Don't miss this powerful fusion of film and live music — a celebration of the Australian spirit, sweeping landscapes, and timeless storytelling.
