

Escape to Jimbour House

Wednesday 5th March & 4th June 2025

Destinations: Jimbour

Join us to explore the Jimbour House, which for over **150 years**, has stood out for its magnificent design and manicured gardens.

The sandstone designed house is one of a kind in Queensland and was built in 1876 on the site of the former Jimbour Station. The heritage-listed residence lies a short drive north of Dalby. While the inside of the house is open only for group tours or events. After our tour we have time to explore the wonderful gardens. Morning tea will be at the Jimbour House (**Scones with Jam and Cream**). We make our way back to Dalby for a Lunch Break (own expense) and explore the lovely country Town. In the afternoon we make our way back to Toowoomba with lots of knowledge from the past.

Travel Cost: \$115.00 per person
