

Historical Tour of Brisbane

Wednesday 18th June 2025

Destinations: Brisbane

Join us for a fascinating journey through Brisbane's rich history! Our first stop is **Newstead House**, built in 1846, which was once the first home in the colony of Moreton Bay. As Brisbane's oldest standing European residence, it offers a glimpse into early colonial life. Enjoy a guided tour and discover the stories that shaped the region. Afterward, we'll head to the **Breakfast Creek Hotel**, established in 1889. This iconic venue is renowned for its garden outdoor dining experience, where we'll enjoy a delicious lunch.

Next, we travel to the **Wolston Farmhouse**, the oldest surviving residential farm in Brisbane. Situated just a short drive to the southwest of the city, it allows us to step back in time and explore the area's agricultural heritage. The day includes two guided tours, morning tea, and lunch, ensuring a delightful and educational experience throughout!
