North Stradbroke Island

Thursday 09th February 2023

Destinations: North Stradbroke Island

Join us today for time on North Stradbroke Island we depart from Cleveland to the island which is renowned for its natural beauty and there are a diversity of beautiful spots, pristine Beaches, and National Parks. We arrive at Dunwich before starting our visit to the various spots on the island. During the day we'll stop at the Brown Lake, the island's historical museum. Myora Springs. These springs have been a source of fresh water for thousands of years and still have an abundance of wildlife in the surrounding forest. North Gorge walk is located at the northwestern end of Point Lookout and is the best vantage point on the island to watch the whales and marine life pass right before your eyes.
